Transportation of Passengers and their baggage provided by Contour is subject to the terms and conditions of this Agreement. To the extent there is a conflict between this Agreement and any terms and conditions printed on or in any receipt, other document, or web site, this Agreement governs. By purchasing or accepting Transportation, the Passenger agrees to be bound by the terms of this Agreement as such terms and conditions may be revised, amended, or repealed from time to time prior to the Passenger's commencement of travel on Contour, and no covenants at law or in equity shall be implied or incorporated. In addition, the terms and conditions contained herein may be amended or modified from time to time by any certain terms or restrictions, which are applicable to special or reduced fares. If the Passenger's e-mail address changes, he or she must give timely notification to Contour. No employee or agent of Contour has the authority to alter, modify, or waive any provision of this Agreement unless authorized in writing by a corporate officer of Contour. Contour's appointed agents and representatives are only authorized to sell Transportation pursuant to the approved fares and fees of Contour and this Agreement. Failure or delay on the part of either party to exercise any right or power herein shall not operate as a waiver thereof.

COC Section 7 contains additional important information. Please review it before traveling with your child or permitting your minor child to fly unaccompanied on Contour.

Contour complies with the U.S. Department of Transportation's regulation titled "Nondiscrimination on the Basis of Disability in Air Travel" (14 CFR Part 382) and offers a number of special services to assist Passengers with disabilities. Passengers needing special services must request them through Contour's Call Center at least 48 hours in advance of the departure of their Charter Flight. Contour does not provide transportation to passengers who must travel in/on a stretcher or infants who must travel in incubators or Infant Transport Systems. Passengers who, because of age, mental or physical condition, disability or impairment that requires individual attention or consideration to enplane or deplane an aircraft or to manage oneself during the flight in normal operations or emergency conditions, will be afforded a reasonable amount of assistance by Contour's employees. This assistance will be in a dignified, safe, professional and courteous manner and at all times. Contour will extend this assistance to all qualified individuals with a disability as this legal term is defined in applicable law and DOT rules to protect all those who may otherwise suffer from discriminatory practices. If any Passenger requires assistance, Contour requests that such needs be communicated at the time the reservation is made, or if the reservation is made online, that the Passenger contact Contour's Call Center at least 48 hours prior to the departure of the Charter Flight so that the need can be documented in the Passenger's reservation through a Special Service Request and that Contour's staff can be prepared for the Passenger's arrival at the airport.

Standard Baggage Service Charges, excess/overweight baggage fees, unaccompanied minor fees, and change fees are not included in the charter price. Please contact Contour's Call Center for a description of these charges and to arrange such services.

V: CANCELLATIONS, CHANGES OF DATES AND REFUNDS. The Passenger's right to receive a refund if he or she changes plans is limited. Once purchased, the charter price is non-refundable except as explicitly provided in this Agreement. Reservations may be changed or cancelled prior to departure to receive courtesy credit towards a future Charter Flight, subject to availability, for an administrative fee of \$25.00 per Passenger per segment. Cancellations made at least one hour prior to departure result in a courtesy flight credit which may be used for travel on Charter Flights up to 365 days from date of original travel, in the amount of the Charter Flight price, less the applicable cancellation fee. Contour makes no assurances, however, that service will be available at future dates. Participants who do not notify Contour in advance of their flight forfeit their right to a refund or flight credit for future travel. Courtesy credits issued for future charters have no actual cash value and may not be redeemed for cash. The right to a refund of a Charter Flight, if cancelled or changed, is limited but includes the following rights: a) Participants who pay by credit card may receive a full refund until this Agreement is electronically or physically signed by Participant or his or her agent (under the E-Sign Act, checking an "I agree" or similar check box is deemed to be an electronic signature; Participant hereby appoints Contour's Call Center representatives as his or her agent to sign this Agreement on his or her behalf); b) Participants may receive a full refund, less a \$25.00 per passenger per segment administrative fee, upon providing a substitute Participant to Contour, or upon Contour finding a substitute Participant. Contour reserves the right to accept or decline a Passenger as a Participant of a Charter Flight or to change or withdraw a Charter Flight, subject to the provisions in this Agreement regarding major changes or cancellations by the Contour. All refunds will be made to the original form of payment within 14 days after cancellation or substitution.
